

Medicine Form

Please fill out two copies of this form, one to give to the nurse prior to band camp and one to give to the nurse at band camp check in. Please have this form turned in by the Tuesday night before band camp. The nurse would like to have a medication formulary written up prior to camp so we will be prepared to take care of the band members as they arrive. If your child has any additional medications added after the form has been turned in, please notify the nurse at band camp check in. Thank you!

Please fill out this form and insert the form and medications with times to be given in a Ziploc bag. The bag should be turned into the nurse at band camp check in.

Medication	Sunday	Monday	Tuesday	Wednesday	Thursday
